Uniform List 2026-27

Compulsory and optional uniform items are listed below. All branded uniform items (except where noted for 2026/27) are available through our uniform stockists, Roberts of Bangor, School Days or Warnocks. For 2026/27, not all generic items will be available through uniform stockists but are widely available from a wide range of sources including high street stores and supermarkets, and online.

Branded PE kit is available at Podium 4 Sport. Generic, non-branded PE kit can be purchased from a wide range of sources including high street stores and supermarkets, and online.

Costs listed below are correct at time of publishing and are based on those from our uniform suppliers for branded items, or high street stores for generic items.

This document should be read in conjunction with the School Uniform Policy as published on the School website.

We recognise that during the Transition Period there will be pupils wearing either the current ('Traditional') or the new, updated ('Official') uniform, and in many cases items from both uniform lists. This is an expected and planned part of a sustainable, phased implementation, and all will be fully accepted throughout the agreed transition timeframe.
